SAN DIEGO CITY ATTORNEY MICHAEL AGUIRRE STATEMENT ON MAYOR'S STATE OF THE CITY ADDRESS

After Mayor Jerry Sanders assumed office, I found an ally who had the courage to look San Diegans in the eye and tell them exactly what it would take to clean-up the City's financial mess and re-establish its fiscal credibility.

As Mayor Sanders delivers his second State of the City address, I pledge to support him in those efforts that will assist the City of San Diego in fixing our problems--from crumbling infrastructure to mismanaged finances—and restoring the City's integrity with both, taxpayers and investors.
